

Rudolph needs a foster mummy and daddy

Brighter Futures for Children

Can you help him find them?

They have a red nose, just like Rudolph!

Rudolph's mummy and daddy can't look after him anymore. Can you help Rudolph find a foster mummy and daddy who will look after him? You can also think about what he would like his new foster parents to be like. Maybe they are kind, feed him his favourite food (carrots!) and like singing Christmas songs with him!
